

'Week of Witness' Meetings

The North Chester Baptist Church has announced a special week of meetings, from Palm Sunday through Good Friday, as a wrap-up of three great events. The church, located at the corner of Truman and 16th. Avenues, is bringing back a former pastor, the Rev. Russell Houseman of Grand Rapids, to speak each evening at 7:30 p.m. Pastor Houseman will also be speaking in wit-

ness of the greatest event of the Christian Calendar, the passion and Resurrection of our Lord Jesus Christ. Rev. Dennis Boonstra, pastor of the church states that a mortgage burning will take place during the morning service on Palm Sunday, to commemorate the final payment on the 3200 square foot educational unit added in 1971. Three years of the loan have

been erased in this last year, for which we praise God. Our bus ministry will be doubled with the acquisition of a second vehicle that will be on hand for inspection this same week. Our one bus has been routinely been picking up an average of eight to ten young people each Sunday, with a high of twenty-one.
