Chevy slices gasoline costs by 20% on hot bakery delivery job!

Phone TU 8-0401

The Southern Bakeries Company uses a Univac Computer to be sure of top economy. The machine offers proof that Chevy delivers 20% better fuel economy than any other trucks in their fleet.

Delivering fresh bread daily to millions of consumers, the Southern Bakeries Co. of Atlanta makes stern demands on its trucks. And, according to the Company's Univac machine, the Chevrolets in the fleet are delivering 2.1 more miles per gallon than the other makes—out-saving 'em all by 20%!

Chevy's a born dollar-saver, whether hopping to it on hurry-up chores or hauling heavyweight loads on long, hard grinds. Everything these trucks offer is aimed at fattening your pocketbook. New versions of famous 6's nurse a gallon of gas like nothing you've ever known in trucks. Big, tough V8's for every truck series have the shortest stroke design-the savingest design - of any comparable engines. Durable chassis components hike up profits by holding down maintenance costs.

Whatever you do, you'll do it at less expense with a Chevrolet light-, medium- or heavy-duty truck. See your nearby Chevrolet dealer soon!
