Questionnaire to Be Sent to Sparta High School Parents

The parents of Sparta High School students will receive a questionnaire via mail dealing with a Parent-Teen Code of Ethics, sometime during this next week.

A good Code of Ethics may only be obtained as a result of the study of many opinions and answers to specific questions regarding parent-teen behavior. This is the main reason why the Parent-Teen Code of Ethics Questionnaire was written.

It should be definitely clarified that the Parent-Teen Code of Ethics is confined only to the parents and students of Sparta HIGH School.

In order to receive accurate opinions, the Parent-Teen Code of Ethics committee requests that parents do not discuss the questionnaire with their teenagers until it is completed and returned. In filling out the questionnaire, parents are asked to be thoroughly honest and are urged to comment on the back of the questionnaire if they wish. If at all possible, both parents are asked to fill out the questionnaire jointly.

In the final section of the questionnaire, there are a series of questions relating to the approaching prom.

Traditionally, the prom has been held at a country club. This, sometimes, runs up expenses. The Sparta High PTA is interested in reducing the expenses by serving the banquet themselves and then leaving an opportunity for the students to dance at a place of their choice. If the banquet is given by the PTA, expenses will be reduced regarding food and a better dance band can be hired.

Feb. 27 Deadline For License Plates

LANSING -- Late license plate shoppers . . . those who still don't have 1965 plates . . . will be able to shop until 8:00 p.m. this Saturday (February 27) or until everyone in line has been served.

Secretary of State James M. Hare has informed the more than 200 branch offices of the Secretary of State that Saturday, the 27th, is the deadline to buy plates, and to stay open late for the convenience of last-minute plate shoppers.

The 1965 licensing year becomes official on Monday, March 1, and all cars must show new plates.

Hare reminded motorists that they can bring either their titles or prior year's registration when they buy their plates.

The Secretary of State said he expected sales to go well over the 4 1/4 Million mark by the close of 1965, setting an all-time record. More than 3 million plates will be sold by the end of the rush on February 27, Hare predicted.

Mr. and Mrs. James Herin of Sand Lake announce the engagement of their daughter, Shirley Jean, to Greg C. Nelson, son of Mr. and Mrs. George Norton of Kent City. Both are 1963 graduates of Kent City High school.

Miss Herin is employed at Wolverine Shoe Sales office in Rockford and Mr. Norton is a dental technician in the Navy. No date has been set yet for the wedding.
