## Sparta Harriers Qualify For State Meet

For the fourth time in the past six years, the Sparta High School cross country team will participate in the state meet to be held on Saturday at Ypsilanti. Although one or more individual runners have completed in the state meet each year, it is quite a distinction for a school to place that often.

The Spartans qualified for the state meet by placing third in the Regional Cross Country Meet held last Saturday at Mt. Pleasant. Rockford, winner of the Tri-River championship this year, tied with West Branch for 5th position. Sparta was the only conference team to qualify.

Six different regional meets held last week netted 18 teams to compete at Ypsilanti on Saturday for the state title.

The following harriers placed as follows for Sparta: Terry Jacht placed 1st, by the disqualification of Dale Russell of Cedar Springs. Dave Couturier ran 17th, Tom Badgerow 27th, Gordon Preston, 28th, Dan Mombert, 44th, Steve Heinbeck 45th, Jerry Tompkins 62nd. 24 teams of 163 boys were in competition.

Sparta finished the 1966 season in second place behind Rockford by placing second in the dual meets and in the conference meet. During the past six years that Don Worm has coached the Spartans, the local squad has won two championships outright, shared the crown three years, and placed second in the season just completed.

## Tri River Football Championship To Be Determined Friday Night

Sparta High School varsity football squad makes a last chance effort at a share of the Tri-River championship on Friday night as they travel to Cedar Springs to meet the Red Hawks at 7:30. Going into Friday's final conference game of the 1966 season, the Spartans are tied with the Belding Redskins with two wins, two losses and one tie each.

Lowell presently leads the Tri-River League by a half game margin with three wins and one loss.

Comstock Park is in third place with a 2 - 2 record. Cedar Springs and Rockford share the cellar with two wins and three losses.

Friday nights battles may provide a few upsets with any one of top four teams claiming the championship or at least a share of it. Lowell will be host to Comstock Park and Rockford will clash against Belding for the final games of the Tri-River League.

The little touches are what mark you as a good cook. Unusual combinations and subtle seasonings make food more enticing and establish your reputation as an imaginative cook.

Add a different seasoning to enhance the flavor of food. A pork roast seasoned with salt and pepper is always good, but ground coriander, sage, or cloves rubbed into the meat before roasting adds a tasty gourmet touch.

Celery seeds or caraway seeds added to the cooking liquid for spareribs give them an unusual flavor. Shoulder steaks and pork chops can be rubbed

William F. (Fred) Bloom, son of Mr. and Mrs. William Bloom of King Blvd, Sparta, is now stationed at Bad Tolz, Germany, where he is training with the United States Special Forces. Fred is privileged to wear the famed Green Beret and hopes to be able to complete his training and pass the test to officially become a member of the Green Berets on his 20th birthday.

Fred, a 1965 graduate of Sparta High School, completed his basic training at Fort Knox, Kentucky, and then went on to teletype and code school at Fort Gordon, Georgia. From there he went to paratrooper school at Fort Benning, Georgia.

The young soldier writes that "it is a very interesting outfit". His parents report that on October 25, he was to jump from 3,000 feet with a new type of chute. Among other things he will learn is free fall, scuba diving, and he also hopes to learn how to ski. Fred says he knows the training will be rough but it will be worth it to become a member of the Special Forces.

Ye have need of patience. (Heb. 10:36 A.V.)

If we have patience we can wait for our good without tension or discouragement. Patience is the ability to wait in peace. Patience is not accepting defeat gracefully; it is waiting quietly for certain victory. Let us not cast away our confidence, but hold tight to it, and wait for our plans to mature with the patient confidence of faith.
